

JOIN US ON OCTOBER 5-6, 2022!

Scheduled for October 5-6, this year's in-person Quality Summit provides an opportunity for Quality partners to come together and explore three critical industry issues: software validation, Zero Defects, and the upcoming release of IATF Rules 6th.

In keeping with the 2022 theme – “Facing the Future of Automotive Quality” – speakers at our 2022 event will focus on the challenges, risks, and opportunities our industry faces as these issues continue to evolve. Agenda highlights include:

- IATF Certification = Quality Performance (OEM Sessions)
- IATF Update & IAQB CB of the Year Announcement
- Software QA
- Repairs Data Analytics for Newer NTF Issues due to Increased Electrification & Electronics in Vehicles
- IATF Complaint Management System
- IATF 16949 & Rules QA Session
- Closing Keynote with Kaplan Mobray
- And much more!

Held once again at the Suburban Collection Showplace in Novi, Michigan, this year's event is your opportunity to provide input, discuss issues with peers and industry experts, and develop strategies to help your organization prepare for the future of automotive quality.
