

## **SPEAKER BIOGRAPHY**

**Debra Reining**  
*Restricted Substances Compliance Manager*  
*Cummins, Inc.*

Debra Reining joined Cummins in June 2022, as Regulatory Compliance Manager, leading restricted substances compliance for on-highway products. In this capacity Deb works closely with Cummins' technical and purchasing departments to collect supply chain data to meet IMDS requirements for current products.

Deb represents Cummins as co-chair of the AIAG CR Steering Committee and participates in multiple AIAG work groups.

Prior to joining Cummins, she worked in the Plating, Cooling, Electronic, Machining, and Automotive Industries in in varied positions such as Inspector, Quality Engineer, EMS/QMS Systems Supervisor, and Quality Manager.

Debra has a Bachelor of Arts degree from Hillsdale College, an Associate of Arts from Northwest State College, and Associate of Science from IVY Tech State College along with multiple field related certifications.
