

SPEAKER BIOGRAPHY

Justin Rydzewski
Director, Sales & Market Development
Controls Service, Inc.

Professional Experience

Justin Rydzewski has over 15 years of experience in an accredited calibration laboratory, with leadership responsibility spanning technical sales, consulting, and training. His work focuses extensively on calibration and pyrometry testing practices, the interpretation and application of pyrometry requirements, and the development and implementation of pyrometry compliance programs across various manufacturing industries.

Technical Committee Experience

Justin serves on several technical committees as a pyrometry subject matter expert, to include:

- Member, **AIAG CQI-9 Technical Committee (Heat Treat System Assessment)**.
- Member, **AIAG CQI-11 Technical Committee (Plating System Assessment)**.
- Member, **AIAG CQI-12 Technical Committee (Coating System Assessment)**.
- Member, **ASTM E20 Committee on Temperature Measurement (Voting Member)**.
