Chuck LePard
Environmental, Social & Governance (ESG) Senior
Consultant
DXC Technology

Chuck LePard is an Environmental, Social & Governance (ESG) improvement Senior Consultant at DXC Technology. As the Americas Representative for the International Material Data System (IMDS) & Compliance Data Exchange (CDX), he supports thousands of companies and more than 60,000 users with quantifiable product chemical and social compliance, corporate responsibility, and sustainability progress improvement metrics.

Chuck works with multiple industry associations and standards bodies and during his 40+ year career he has helped clients in an incredibly wide range of industries. A U.S. Navy veteran with degrees in electrical and computer engineering and computer science, his diverse experience facilitates rapport with audiences in dramatically differing disciplines. A devoted husband and father, Chuck and his wife Christina live in southeast Michigan.
