

## ***SPEAKER BIOGRAPHY***

**Joe Beyer**  
*Quality Systems Senior Director*  
*NXP Semiconductors*

Mr. Joe Beyer has been involved with the Semiconductor industry for 35 years, with experience across all facets of the industry.

As the Senior Director of Internal and Registrar Audit at NXP, Joe's team leads internal and external 3<sup>rd</sup> party audits across the globe which using a corporate scheme encompasses 9 manufacturing sites plus 40+ remote and "remote of remote" sites.

He is a member of the IAQB Quality Steering Committee, the AIAG Quality Steering Committee, and helps lead the Highly Automated Industry Task Force. He holds a Bachelor of Science from Southern Illinois University. Joe believes that, done correctly, Internal Audit is a powerful tool for Continuous Improvement.
