

SPEAKER BIOGRAPHY

Sourabh Verma
Enterprise QMS Manager
Waymo

Sourabh Verma is a quality and product development leader with 15+ years across Tata Motors, Valeo, and Lucid Motors. He builds enterprise QMS and APQP frameworks from scratch, with expertise in AIAG-VDA DFMEA/PFMEA, IATF 16949, and functional safety. His work spans AI-driven warranty claim classification, Digital Thread integration for predictive quality (\$1M annual savings target; 30% scrap reduction), and proactive field failure detection that delivered \$9M in savings. He holds an Masters from the University of Cincinnati and a Bachelors from IIT (BHU) Varanasi.
