Karen Kenney
President
K2 Trade Solutions, LLC

Karen Kenney is the founder and President of K2 Trade Solutions, a global trade management advisory firm that assists companies in optimizing their supply chains to save time and money and reduce risk. Prior to K2, Ms. Kenney served as the President of a public logistics service provider where she led its sales, operations, and acquisitions teams, and the company's long-term growth strategy around the globe. She is a 40-year industry veteran, having held positions across the supply chain in Customs brokerage, freight forwarding, cargo security, and the creation and implementation of supply chain technology solutions. She has led the sourcing, due diligence and successful integration of several Customs brokerage and freight forwarding acquisitions and has traveled extensively in Asia developing agency networks. Ms. Kenney is a founding member of the Coalition of New England Companies for Trade (CONNECT) and sits on its Board of Directors. She is a past member of CBP's 12th and 13th COACs (CBP's Commercial Operations Advisory Committee).
