

## ***SPEAKER BIOGRAPHY***

**Gina DeSimone**  
*Sr. Carbon Neutrality Specialist*  
*American Honda Motor Co., Inc.*

**Gina DeSimone** leads Honda's logistics decarbonization strategy in North America. Gina works alongside several different cross functional logistics leaders to develop innovative strategies to achieve Honda's Triple Zero Goals.

Gina holds a Bachelor of Science in Business Operations Management from The Ohio State University (Go Bucks!) and has worked in the supply chain sustainability space for almost 10 years. She has developed supplier social compliance programs, developed supply chain traceability standards, and more recently has been focused on the environmental and carbon neutrality space.
