Gavin Wu

***Manager of RMI Member Services
Responsible Business Alliance***

Gavin has been with the Responsible Business Alliance for over 10 years. His core responsibilities include meeting with RMI member prospects and new members, and communicating how they can use the RMI platforms to support their companies' responsible mineral sourcing activities. Gavin also leads the RMI's Mineral Reporting Templates (MRT) workgroup, which manages yearly updates to the templates to address reported bugs and user suggestions.
