

SPEAKER BIOGRAPHY

Agustín Izquierdo González
Co-founder
Corporativo Aduanal GIC, S.A. de C.V.

Agustín is a customs broker and international trade executive with over 30 years of experience in U.S.–Mexico cross-border trade. He leads GIC Corporativo Aduanal and works in partnership with AiDock and Macrolynk on trade compliance, broker coordination, and customs automation.

He previously served as Customs Manager at General Motors Mexico, where his work focused on standard operating procedures (SOPs), internal controls, post-entry reviews, and audit readiness.
