

SPEAKER BIOGRAPHY

Francesco Grieco

***Applied Physical Chemistry Manager – Technical Regulations Team
CLEPA - European Association of Automotive Suppliers***

WORK EXPERIENCE

Applied Physical Chemistry Manager at CLEPA, managing all the Materials & Substances-related topics in the Technical Regulations Team. Monitoring EU regulatory developments on chemicals, materials and circularity, developing policy positions, coordinating technical working groups, and engaging with EU institutions and industry stakeholders. FG started as an Officer at CLEPA last January 2026.

PhD & RESEARCH

PhD in Applied Physical Chemistry, with research experience in experimental science, modelling and quantitative analysis. The PhD work resulted in publications in international scientific journals, and presentations at conferences worldwide.

EDUCATION

Master's degree in physical chemistry from an international double-degree programme between France and Portugal, as well as a Bachelor's degree in Chemistry from the University of Bologna (IT).
