AIAG Quality Summit
October 3-4, 2024

Call for Speakers

Prospective Speaker: The Automotive Industry Action Group (AIAG) welcomes your proposal for a session presentation at our annual Quality Summit, October 3-4, 2024. The theme for this year's summit is **"Electrifying the Future: Advancing Mobility."**

While the foundational principles of quality and quality management systems remain the same, electrification and other cutting edge technologies continue to shape the mobility landscape, making it particularly crucial for organizations to understand and leverage these advancements moving forward.

In response, AIAG is looking for 2024 summit presentations on:

- Implementing the new APQP & Control Plan within an EV environment
- Software quality with driver assistance or autonomous driving/systems/features
- Any concerning and/or positive trends (best practices) in EV related technologies

Presentation Types:
Absolutely no commercial, sales pitches or endorsements will be considered or allowed in presentations. Time slot for each presentation is 45 minutes including Q&A. Workshop length will be determined on a case-by-case basis**.**

Deadline for submission is March 15, 2024

Review of Proposals
Proposals will be reviewed by the AIAG Quality Summit Planning Committee for acceptance based on relevance, demonstrated application, and innovation. Priority will be given to presentations that are based on automotive OEM or supplier case studies or include a hands-on workshop. There is no limit to the number of proposals you can submit. *Authors of accepted proposals will be advised by April 19, 2024, and provided further directions at that time*. **Speakers will be expected to submit their rough draft in PowerPoint format to AIAG no later than July 26th, 2024.**
